Fine Arts Camp:

EVERYONE WANTS TO BE A STAR!

June 23-27

___ Campers have a chance to try their hand or hone their skills in Hollywood arts including filmmaking, musical performance, acting, dancing, set design and construction, and Hollywood poster art. No experience is necessary in any of these areas, with the exception of instrumental musicians who should have a year of experience and their own instrument that they can bring to camp. The week culminates in a performance for parents. The camp meets Monday through Friday from 8:30 a.m. to 2:30 p.m. at the Barn Theater on MCC's Sidney campus. Please mark the activities 1 through 6 in order of preference. Campers are assigned to two or three. The cost for session XMUS 100-01 is \$75.

Camp Discovery: ENERGY STARS!

July 28-August 1

___ Campers of all abilities and experience levels explore science in this hands-on camp with Director Heather Wesp. Campers investigate the rules, flow, and use of energy on Planet Earth by performing loud and messy chemistry experiments, building their own solar hotdog cookers, tracking down the flow of energy from the sun to plants to animals and beyond, experimenting with fuel cells and other alternative energies kits, and creating their own plans for using energy at a level they and the planet can live with. Campers use scientific equipment and explore MCC's Nature Trails. Campers also visit MCC's indoor pool each day. The camp meets Monday through Friday from 8:30 a.m. to 2:30 p.m. in room E108 in MCC's Instruction East Building. Adult visitor and volunteer participation is encouraged. The cost for session XGEO 104-01 is \$75.
